### **At Parson’s Rest Retreat...**

- † “The group here at Parson’s Rest were so blessed by your Strong In Spirit Conference. The content of your message was scripturally sound and your presentation informative

and entertaining. There were no dull moments as you laid the foundation for the position the Lord Jesus lived and died to obtain for us. Most of us have been content to exist far below our callings and you have so successfully opened our eyes to how we can be bold and fearless as God intends. Your challenge to move into that high calling has not fallen on deaf ears and we thank you for sharing your heart and the revelation the Lord has given you for the Body of Christ. We commend your Strong in Spirit Conference to those who are hearing the voice of the Holy Spirit in these end times to do the greater works Jesus said we would do. It is time we see His Kingdom come on earth as it is in Heaven. Our love and blessings, John & Dee Mann, Ministers Parson's Rest, Rockwood, Tenn."

- † "Very powerful and equipping – I thought it was awesome, informative, helpful, fun and exciting!"
- † "I really needed this!"
- † "Praise the Lord for the Strong in Spirit teaching He gave you. It is a message every born-again believer in Christ Jesus needs to hear. It's so awesome the revelation God is giving to the Body of Christ these days. I do see things in a different light now following the Strong In Spirit Conference. While I knew unbelief alone was not the bad guy, I'd never considered myself to be fearful and I never considered fear to be sin. I never considered fear to be the motivating factor in how I ministered to people or received from the Father, but I do now and I am going to change that with the help of the Holy Spirit and the Lord Jesus. We would love to sponsor a Conference here in our local area. I pray the Lord will open so many doors for you it will be hard for you to find time to schedule the demand."  
- Rev. John Mann, Director, Healing Rooms of Roane County
