

Living The Strong In Spirit Way

By Pastor Bruce Koester

Living The Strong In Spirit Way is the first book in the Strong In Spirit book series, which will ultimately number at least three books. It is both an outstanding read and a great present for the growing believer as well!

Living The Strong In Spirit Way is a life-transforming message that radically changed my own life and constitutes the most powerful experience I've ever had with God to this day.

Living The Strong In Spirit Way is composed of...

- † An 8 page **Dedication** to my Son Aaron Michael. Read some of the fun and remarkable stories of his life and get to know him better.
- † A 5 page **Preface** detailing the genesis, background and goals of the Strong In Spirit message.
- † And 120 more pages in **15 Chapters** covering the whole first third of the Strong In Spirit Seminar along with a large amount of new material as well.
